LUNCH BREAK

3rd SPEAKER:

JANE McCARTHY.WALES.:2.00pm – 3.00pm. **'MY CLOSE ENCOUNTERS WITH UFOs'**

Jane has spoken at many conferences about her research work into the earth energy system & paranormal investigations. Both Jane & her husband have seen & had strange UFO encounters for over 20 years & on one occasion photographed them. Whilst on a holiday in 2008 they experienced another *CLOSE ENCOUNTER* only this one was a more harrowing experience one which Jane has only recently this year spoken publicly about. It took Jane 6 months to come to terms with what happened & to talk & seek professional advice about the event which has left her physically scarred. Jane has now decided to talk about her experiences with those close UFO Encounters. Jane was a claims Manager in Insurance but now works full time in the paranormal research field.

COFFEE BREAK

4TH SPEAKER. - 3.30pm – 4.45pm Approx

CHARLES, JAMES HALL. USA: Subject: **'THE NORWEGIANS WITH 24 TEETH!...**

Today Charles will continue with his second talk - Whilst still a student at the University of Wisconsin, before entering the Air Force, Charles came into contact with a second *RACE* of *Extraterrestrials*. Because he had no prior frame reference, he called these Beings "*Norwegians with 24 Teeth!*" As with his presentation regarding the **"TALL WHITES"**, you will have many questions. Charles will freely answer your questions. Charles 1st paper on Hall Photon theory, maintains that Einstein's theories fell short and, if scientists accept the hypotheses presented, vehicles can be built which will travel faster than the speed of light! Don't miss this Talk!....
